

The Giving Tree

Located in front of the
Edwardsburg Presbyterian Church
68961 Lake St., Edwardsburg, MI 49112

The Edwardsburg Giving Tree was started in June 2019 as a way for community members to pick up needed clothing without the worry of judgment. Items are hung up on the tree, and community members can come and pick up an item day or night without having to interact with anyone.

We ask that you only take what you need. When leaving items please check the church door to see what and if items are being accepted. At times only certain clothing is accepted due to what is needed.

*****Please*****

Only clean clothing, no toys or household goods.
