

Are You Raising a Child in Kinship?

Kinship care or 'relative care' is the full time parenting of children by grandparents, other extended family members, or adults with whom they have a close family-like relationship.

During A Season of Gift-Giving

AREA AGENCY ON AGING IS HELPING KINSHIP FAMILIES

At Area Agency on Aging we seek to assist kinship families though offering access to resources and supplies. Through funding generously given to us by the State of Michigan, we may be able to offer kinship caregivers 55 & older one-time financial assistance to help with things such as:

- Warm Coats, Gloves, and Hats
- Thanksgiving Food
- Christmas Gifts

As a kinship caregiver you are giving a child in your life the gift of a safe and stable home. Let us help you, or a kinship caregiver you know, find help and support fulfilling this great gift to a child.
